

ENRICHMENT OF BIG BALL GAME MATERIALS FOR TEACHERS PJOK SMP SE BANTUL DISTRICT

by **Suhadi, Sri Mawarti, Nurhadi Santoso, Riky Dwihandaka**

ABSTRACT

The purpose of this PPM activity is to provide knowledge to the teachers of the PJOK of the Junior High School in Bantul Regency about the importance of physical education learning related to the material of big ball games as one of the means to realize the objectives of physical education learning in Junior High School.

The target audience of this PPM activity is all Physical and Health Education (PJOK) teachers of Junior High Schools in the Bantul Regency area.

The PPM Activity with the title "Enrichment of Big Ball Game Materials for Teachers of PJOK in Bantul District Junior High Schools" can work well. PPM activities are held for two days, namely on Tuesday and Wednesday 2-3 July 2019, at 08.00-15.00 at SMP 1 Sewon Bantul Yogyakarta. The training which was planned to be attended by 30 Junior High School physical education teachers in Bantul Regency turned out to be attended by 28 physical education teachers.
