

TEACHER PROFESSIONAL DEVELOPMENT THROUGH NATIONAL JOURNAL ARTICLE WRITING TRAINING FOR HIGH SCHOOL/SMK HISTORICAL TEACHERS IN KULON PROGO DISTRICT

by Prof. Dr. Aman, M.pd.

ABSTRACT

This community service activity aims to motivate history teachers of SMA / SMK Kulon Progo Regency in the implementation of writing national journal articles in order to improve understanding, ability, technical practice about writing national journal articles which include: (1) Providing self-motivation (building will) SMA / SMK history teachers in writing national journal articles, (2) Providing understanding of SMA / SMK history teachers in writing national journal articles, (3) Increasing the technical abilities of SMA / SMK history teachers in writing national journal articles. The target of this activity is history teachers of SMA / SMK in Kulon Progo Regency who have the willingness and ability to be trained to write national journal articles. The selection and targeting of this training has rational-strategic considerations, efforts to improve the quality of SMA / SMK history teachers regarding national journal article writing through national journal article writing training for SMA / SMK history teachers in Kulon Progo Regency and 25 teachers are taken, the training will be held in 2 days or at least 16 hours of meeting. The method used in this community service activity is counseling / upgrading filled with lectures, questions and answers, examples of cases, simulations. Meanwhile, the evaluation of the implementation aspects of the training was carried out by providing a questionnaire. There are 2 methods of success indicators in the implementation of training, namely: (1) evaluation during the training process, and (2) post-training evaluation. The results of the implementation of community service which was attended by 25 history teachers showed the teachers' enthusiasm in participating in the training. During the training process the teacher actively participated in questions and answers. After the training, teachers understood the context of writing national journal articles, and there were 20 teachers who collected draft titles of national journal articles.
