

RESULTS OF THE DEVELOPMENT OF PEDALANGAN MASK ENVIRONMENT IN BOBUNG VILLAGE AS A TOURISM DESTINATION OF GUNUNG KIDUL DIY DISTRICT

by Kuswarsantyo

ABSTRACT

Bobung Village, Putat, Gunung Kidul, is famous for Mask products as souvenirs or souvenirs. But not many people know that in the area has the potential artists of Pedalangan Mask Dance. Through this research it has been known that the Mask craftsmen can do the Pedalangan Mask Dance well.

The approach that we apply to discuss the existing problems is ethnography. Data retrieval is done by interviewing cultural figures and actors of the Pedalangan Mask. The analysis used is qualitative descriptive.

The results obtained are: 1) The formation of the dance community of the puppet mask; 2) The creation of the Pedalangan mask ballet; 3) Growing interest of citizens to preserve the art of openg Pedalangan; 4) giving appreciation to the community; 5) Improving tourist destinations in Bobung village. From these findings it can be concluded that with regular training and staging, the attractiveness of tourist visits is increasing.
