

TRADITIONAL GAME FESTIVAL AS A CHARACTER STRENGTHENING EFFORT OF ELEMENTARY SCHOOL STUDENTS IN SCHOOL INDONESIA KUALA LUMPUR

by Komarudin, Saryono, dan Nur Sita Utami

ABSTRACT

This community service aims to increase the strengthening of the nationalist character of elementary school students at the Kuala Lumpur Indonesian School. The service team provides training for teachers and organizes a traditional game festival for Indonesian children living in Kuala Lumpur, Malaysia, to strengthen the character of nationalism. The strategic target audience in this activity are (1) Teachers and (2) Elementary School Students at Sekolah Indonesia Kuala Lumpur. The success of the activity was marked by: (1) Training on Strengthening the Character of Nationalism through Indonesian Traditional Games attended by physical education teachers and elementary school teachers at SIKL; (2) students enthusiastically participated in the festival as many as 41 participants; and (3) students have increased from not knowing to be able to implement traditional Indonesian games.
