ABSTRACT

This activity was carried out at ABA Karangmalang Kindergarten which is located in the northern part of the city of Yogyakarta and is included in Sleman Regency. This area is considered advanced, because there are several educational institutions from Early Childhood Education to higher education. This reflects that in this region has a fairly high level of progress. The purpose of this activity is to provide training to early childhood in learning to sing using motion and songs.

The target of this activity is primarily aimed at ABA Karangmalang Kindergarten students. This activity was attended by students from class B Kindergarten who were about to graduate from Kindergarten and would continue on to Elementary School, a total of 25 students consisting of 15 male students and 10 female students. In carrying out this activity the students were also accompanied by the teacher so that in carrying out the activity, the students could be more confident in participating in this PKM activity, so that it would be easier for trainers or volunteers to deliver material that had been prepared beforehand.

The results of the PKM-UNY for the lecturers and students were performed at the closing ceremony of the Karangmalang ABA Kindergarten which was held at the Pringsewu Restaurant in Sleman by performing movements and songs.
