Abstract

The Community Service Activity aims to enhance skills in dance and traditional music. Training in those two fields supports the material of Sekar Pudyastuti and traditional music to accompany the dance. The Community Service Activity is conducted in Pura Jagat Nata, Banguntapan, Bantul.

The aim of this activity is to give to foster and to develop traditional art creativity. The targets of traditional music and dance coaching are children who join Karawitan Community of Anak Gema Jagat Nata at Pura Jagat Nata, Banguntapan, Bantul. The method used is demonstration, presentation, and direct evaluation.

The results of the Community Service Activity are: traditional music and dance coaching is conducted for 10 face-to-face meetings; the number of children is 30 children as dancers and musicians who are the members of Karawitan Community of Gema Jagat Nata; and the participants are able to perform Sekar Pudyastuti dance accompanied by traditional music in March 6, 2019. This activity was performed at Prambanan Temple for celebrating Day of Silence (Nyepi Day) in 2019.
