

DEVELOPMENT CAPABILITIES OF WRITING MATERIAL AND MAKING MEDIA PPKN FOR TEACHER OF SMP KOTA YOGYAKARTA

by Dr. Eny Kusdarini, S.H., M.Hum. Iqbal Arpanudin, S.Pd., M.Pd. Dr. Sunarso, M.Si. Suripno, S.H., M.Pd.

ABSTRACT

After an oral pre-test conducted after the opening ceremony by the Board of MGMP Mapel PPKn for teachers of SMP / MTs of Yogyakarta City was found that there are still teachers who have not mastered the making and development of instructional media, especially on-line media and development of teaching materials with good. In terms of learning present to attract students need to be developed with the media that can be obtained through the internet media. The results of this PPM activity show that the enthusiasm of the participants is also seen in the exposure time of material development materials development and the development of learning media through internet media.
