

PENGENALAN PENGAJARAN BAHASA INGGRIS MENGGUNAKAN SYAIR LAGU PUITIS BAGI GURU-GURU MGMP MADRASAH ALIYAH NEGERI SE-DIY

by Eko Rujito, M.Hum, Sugi Iswalono, M.A., Dr. Widyastuti Purbani, M.A, Asrudin B. Tou, Phd

ABSTRACT

This Community Service Program was aimed at introducing teaching English model using poetic song lyrics to English teachers of MGMP Madrasah Aliyah Negeri in Yogyakarta. variation in teaching media and method is highly important in order that students' learning outcome can be optimal and both students and teachers might have different teaching-learning. Studying poetic song lyrics using textual analysis commonly used (inj term of figurative language and imagery) in analysing poems has been an increasingly preferred method, This training program was conducted in two days and directed to introducing a method in teaching English using poetic song lyrics.

The result of the program shows, 1) participants were able to understand the benefits of teaching English using poetic song lyrics, 2) participants were able to understand the method of teaching English using poetic song lyrics, 3) participants were able to analyze poetic song lyrics using textual analysis method commonly used in poetry analysis.
