

EDUCATION LITERACY ENHANCEMENT TRAINING AND SHARIA COOPERATIVE

by **Mustofa, Suyanto, Sugiharsono, Ngadiyono**

ABSTRACT

This PPM activity aims to improve literacy and education about sharia cooperative. The target audience of community is the woman who is a member of Yasmin PW Cooperative, Fatayat Nahdlatul Ulama, Special Region of Yogyakarta and Baitul Quran Cendekia Cooperative, Patalan, Jetis, Bantul. The methods used include lectures, discussions, and questions and answers. The success indicator of the community service is an increase in knowledge about education literacy and the sharia cooperative obtained by participants and ratification of legal entities by the Ministry of Cooperatives and SMES. From the PPM activities that have been carried out appear so enthusiastic participants follow the activity. Participants feel that education is an important part of improving their welfare. Participants also feel that cooperatives are able to improve their members' lives.
