

THE WORKSHOP OF NUSANTARA DANCE FOR SENIOR HIGH SCHOOL (SMA) AND VOCATIONAL HIGH SCHOOL (SMK) STUDENTS OF SLEMAN REGENCY-WIDE

by Wien Pudji P, Endang S and Enis Niken H.

ABSTRACT

ABSTRACT

The devotion in community of campus tourism was aimed to socialize and provide information to wide community, especially for young generation and introduce the existence of Dance Art Education subject to wide community and promote to SMK/SMA students in order that they would select an advanced study in FBS of Yogyakarta State University.

The method used in PPM of Campus Tourism (Wiskam) was socialization and promotion by providing workshop materials and Nusantara dance training include Blantek dance. The initial activity performed was a speech or information delivery on profiles of Dance Art Education Subject then was given a practical training of Nusantara dance.

The results of PPM of Campus Tourism were followed by SMK and SMA students numbered 51 and 4 associate teachers. The workshop material was Blantik dance training from Betawi and also costume explanation used in that dance. This activity was expected to be conducted continuously targeted to other SMA and SMK students as conservation and introduction of cultural arts from Nusantara for the young generation.
