

TRAINING MANAGEMENT TRAINING FOR WASIT SWIMMING DIY

by Fx. Sugiyanto, Agus Supriyanto, Nur Indah Pangastuti

ABSTRACT

The purpose of this PPM activity in general is to conduct an Achievement Motivation Enhancement Training for DIY Swimming Athletes. The specific objectives are (1) Increased insight and knowledge for DIY swimming trainers in the development of swimming sports arbitration, (2) Improving the skills of DIY swimming referees in swimming race management. The results of the activities are as follows (1) There is an increase in the knowledge of DIY swimming trainers in the development of swimming sports arbitration, (2) an increase in the skills of DIY swimming referees in swimming race management, (3) Swimming Referees (Technical Official) DIY becomes aware of how to create a swimming swimming race event, (4) DIY Official Technical Insights on swimming referees increase in accordance with changes in regulations from FINA. Suggestions submitted are expected that this activity can be carried out programmatically so that the technical official / referees of DIY can always increase their knowledge of swimming arbitration as changes in regulations from FINA
