

THE STUDY OF RESEARCH MANAGEMENT MODEL AT UNIVERSITAS NEGERI YOGYAKARTA AND LR DAV COLLEGE JAGRAON INDIA

by Lantip Diat Prasajo, Nurtanio Agus Purwanto, Indri Kurniawati, and Kunal Mehta Universitas Negeri Yogyakarta and LR DAV College Jagraon India

ABSTRACT

Research activities are accommodated by a research institute which regulates the mechanism and design and implementation of research activities. To maintain the quality of the implementation of research activities, research institutions and universities have research management models. The purpose of this research is to find out: 1) what are the research management models at Yogyakarta State University and at LR DAV College Jagraon India, 2) how is the realization of the achievement of the research management models at Yogyakarta State University and at LR DAV College Jagraon India, 3) what are the obstacles in implementation the research management models at Yogyakarta State University and at LR DAV College Jagraon India. This research uses quantitative and qualitative methods with a comparative study between the the research management models at Yogyakarta State University and at LR DAV College Jagraon India. The focus of the study is regarding university policies regarding research management models by referring to the Permendikbud on national higher education standards models, and quality documents both at Yogyakarta State University and at LR DAV College Jagraon India. Data collection techniques using FGD techniques, questionnaires, documents, observation, and online interviews. The validity and reliability of the questionnaire instrument used expert validation. The validity of the qualitative data was validated using the informant review model and data triangulation. Quantitative data analysis using descriptive analysis techniques and qualitative data with an interactive analysis model. The research management standards between Yogyakarta State University and LR DAV College Jagraon India have almost the same standards covering planning, organizing, implementing, and monitoring and evaluation. Meanwhile, the realization of research management has the same thing as university research institutes under the direct supervision of the Chancellor. Research management is carried out by the head of the institution who is responsible to the chancellor.
