ABSTRACT

This Wisata Kampus activity is aimed at socializing Visual Arts Education Program, Visual Arts Department, the faculty of Languages and Arts, Yogyakarta State University, and give the insight view to the students of High School as participants of Wisata Kampus about the competences that conducts in Visual Arts Program.

Apreciation Method is applied in this activity by giving appreciation to the artwork that have made by the students of Visual Arts program at the exhibition. The result of this activity is the enhance of students insight about various types of Arts, medium and technical making of visual arts and some field studies of Visual Arts that taught in Visual Arts Program, and the students are getting closer and familiar with this campus.

At the end of activity, the team search the data about the benefit of this activity for the participants. Hopefully, this activity can be held continuously and simultaneously because of its benefit in enhancing the insight about Visual Arts for the students.
