ABSTRACT

The Anak Bajang Museum is also known as Omah Petroek. The complex was originally a place to write and seek inspiration for Sindhunata, a writer and culturalist. Omah Petroek then developed into a house of Art, Culture and Education, until later became a museum called Anak Bajang. In this complex there are six interesting cultural arts destinations to visit, namely The Ashram Anak Bajang Complex, Kapujanggan Complex, Sanggar Pamujan Complex, Penyarikan Complex, Omah Petroek Complex, Sekolahe Petroek Complex. The goal to be achieved in this study is to create a complex map of the Anak Bajang Museum. The benefit of community service is to be the basis of the historical footing of building the Anak Bajang Museum through complex maps. The target achieved in this study is a complex map of the Anak Bajang Museum.
