

ARCHERY CLUB MANAGEMENT IN SLEMAN

by Ratna Budiarti, M.Or.

ABSTRACT

This community service activity aims to improve the competence of archery trainers, sports teachers or archery coaches and promote archery in the Sleman Regency area. For the service team, this activity is a form of Tri Dharma College dedication to the community as well as cooperating with various parties in order to improve the management of archery club management in Sleman Regency and public interest in archery.

This training activity was attended by archery trainers and archery coaches in Sleman Regency with a total of 41 participants. This activity is carried out online using the zoom meeting media.

The result of this service is the implementation of training for archery trainers and archery coaches in Sleman Regency. With these activities, the quality of archery club management and public interest in archery can improve, so that with many people pursuing archery, especially students, archery athletes will emerge who can excel. This activity is also a monitoring of the archery club in Sleman Regency in carrying out training, so that it can be evaluated and improved on the training program that has been carried out so that it can perform better. The results of this activity will be published in the PPM journal.
