## **ABSTRACT**

This training activity aims to provide some material related to efforts to develop Ecoprint technique skills for the Dasa Wisma Group Mothers in the Kalongan Maguwoharjo Hamlet, Depok Sleman Yogyakarta. The methods used in this activity are presentations, demonstrations, and individual and group practice.

The activity was attended by 20 participants consisting of the Dasa Wisma Kalongan Maguwoharjo Group, Depok Sleman Yogyakarta. The material presented is acceptable, digestible, and well understood by the participants. The number of participants is proportional to the number of devotees (4:20) making this training more conducive. The activity went smoothly, on time and as expected and the participants were able to communicate well with the speakers and other participants.
