## **ABSTRACT**

The PPM program aims to (1) Train students at Zahrotul Jannah Islamic Boarding School, Kulonprogo so they know the local history around them, (2) Teach students related to examples of local historical themes through mini research assignments in learning history in Pondok Zahrotul Jannah Islamic Boarding School, Kulonprogo.

The PPM activity was carried out with two meetings in the Zahrotul Jannah Islamic Boarding School study room, Kulonprogo, attended by 25 female students. The activity consisted of presentation of material by the speakers, then continued with a workshop on making a mini research with one of the local history themes chosen by each.

Hopefully, this activity can be carried out in a sustainable manner, given the importance of understanding related to local history in their respective neighborhoods.
