

WORKSHOP OF ARTICLE WRITING FOR JOURNAL PUBLICATION FOR TEACHER AT GUNUNGKIDUL REGENCY

by Suhardi, St. Nurbaya, Tadkiroatun Musfiroh, Nurhadi, Beniati Lestyarini, Dwi Hanti Rahayu

ABSTRACT

This workshop aims to guide teachers improving their capability in writing article based on their previous research and publish it to journal. It is the need of the teacher to publish their article as a part of pedagogical competence improvement and the requirement for obtaining the academic level. This is a structured-guided workshop which involve teachers from various fields in Gunungkidul Regency. There are 26 teacher involved in this activity. The materials including academic writing, journal style of writing, best practice of learning innovation, and submission technique of online journal. The workshop is followed by seminar to present the articles. This activity results 21 articles in which 5 of them are ready to be submitted. The enthusiasm of teachers and well-collaboration among parties espouse the success of the workshop. However, there is postponement for the implementation because of the mismatch of schedule between team and the teachers.
