

TRAINING ON HOW TO IMPROVE THE QUALITY OF LEARNING CULTURALLY IN ELEMENTARY SCHOOLS AT KECAMATAN BATUR KABUPATEN BANJARNEGARA

by Prof. Anik Ghufron, M.Pd.

ABSTRACT

This community service activity (PPM) aimed to: 1) Provide training to elementary school teachers on how to improve the quality of learning culturally. 2) Improve the quality of teachers' performance of Elementary School in implementing learning at elementary schools. 3) The article is produced related on how to improve learning quality culturally that is ready to be published in national journals.

This PPM activity was carried out at SDN Batur in Kecamatan Batur with 24 subjects or participants. The method used in this PPM were lecturing, discussions, demonstrations, practices, and mentoring/tutorials. The method of lecturing and discussion were used to convey the material and participants' understanding about the importance of improving the quality of learning from a cultural perspective. The method of practice was used to provide an opportunity for participants to formulate one of the cultural learning models that elevates the local wisdom of the Batur region and its surroundings. This also includes the making of lesson plans and cultural-based learning tools. While the mentoring method was used to assist and facilitate participants in practicing the syntax of cultural learning model.

The results of PPM activities showed that: 1) Knowledge and skills of participants on how to improve the quality of learning are culturally increased. 2) This training activity was considered to have been able to provide a real contribution to the improvement of the quality of teachers' performance at elementary school in carrying out teaching and learning process. 3) A draft article is prepared to be published in a national journal.
