

CONTENT ENRICHMENT OF CHARACTER EDUCATION BASED ON LOCAL WISDOM IN HISTORICAL LEARNING FOR TEACHER OF SMA (HIGH SCHOOL) IN DISTRICT SLEMAN

by Dr. Miftahudin, M. Hum., H.Y. Agus Murdiyastomo, M.Hum., Dina Dwikurniarini, M.Hum., Dyah Ayu Angraheni I., M.A.

ABSTRACT

Character education by applying local wisdom to high school students is required to be able to print learners who have a spirit of tolerance and an inclusive view. Local wisdom is able to deliver and build Indonesian people with the true spirit of nationalism, namely nationalism based on respect for differences, and ultimately to maintain the unity of the nation from the threat of disintegration. The PPM aims, firstly, to provide concepts and scientific insights relating to the development of history-based learning of local wisdom, both providing encouragement and invitation, and third, demonstrating how historical learning based on local wisdom is developed.

The methods used in this PPM activity are, firstly, conducting training and discussion related to the development of history-based learning of local wisdom. Second, to hold bill of learning development model of history based on local wisdom.

Training "Strengthening Character Education Based on Local Wisdom in Historical Learning for High School Teachers in Sleman District" is an effort to provide insight that in local wisdom that has been there in the environment has a value that can be taken as a character education education. Furthermore, this PPM activity also went well and even got the enthusiasm of the teachers. Starting from the method implemented and the material presented can provide new insights for the participants.
