### **Abstract**

This Community Service aims to: 1) introduce French to high school / vocational high school students, 2) invite high school / vocational high school students to participate in reading news in French competition, and 3) encourage the interest of high school / vocational high school students to enter the Department of French Language Education, FBS UNY. National Competition for Reading News in French for High School Students in 2018 is carried out in 3 phases: preparation phase, implementation phase and phase of determining the harvest and distribution of prizes. This activity was attended by 60 students, consisting of students from various high schools / vocational schools in Indonesia.

Based on the results of the implementation of Community Service with the theme "The National Competition of reading a news in French for the high school and vocational high school students", which was held on 18 and 19 July 2018, in the GK 1 Seminar Room, FBS, UNY., it can be concluded the following matters: a) Participants gain new knowledge and experience about reading news in French, which have never been obtained in school, b) Participants can understand well the importance of the character of sportsmanship in the race, c) the winner of the competition is determined, namely: 1st Place with a trophy from the Rector UNY + Coaching money of Rp. 1.000.000 + certificate (St. Albertus High School MALANG), Second Place: a trophy from the Dean of FBS UNY + Coaching Money of Rp. 750,000 + certificate (SMA N 6 Yogyakarta, Champion III: APFI Cup + Coaching Money Rp.500,000 + certificate (SMA N 1 Wonogiri), the first runner up : a trophy from the chairman of the French department + certificate (MAN 1 YOGYAKARTA), and Second Runner up: a trophy from a committee of the Competition + certificate (MAN 2 Brebes).

*Kata Kunci: National Competition, reading a news in French*
