ABSTRACT

ABSTRACT

The PPM aims to help improve the learning of athletic basic motion, especially Kid' Athletic for all physical education teachers in Karang Bolong Subdistrict, Kebumen Regency.

PPM activity is one form of activity in the form of training in the form of lectures and practice in the field. which was attended by 30 elementary school teachers.

The implementation of activities starts from 08:00 to 15:30 West Indonesia Time and is carried out at SD Negeri 1 Jati Jajar, Karang Bolong.

The results of this PPM produced a draft of the KID'S Athletic learning book in Primary Schools and is one of the manuals that will be used in Physical Education learning in Kebumen Regency.
