

TRAINING OF CHARACTER EDUCATION BASED ON LOCAL WISDOM FOR THE TEACHERS IN ELEMENTARY SCHOOL IN SLEMAN

by Rukiyati, Mami Hajaroh, L, Andriani Purwastuti

ABSTRACT

The purpose of the PPM is to provide insight, experience, training and mentoring to teachers SD Muhammadiyah in Sleman in order to develop local wisdom-based character education in their respective schools. Training is conducted at the Genduk Wulan Meeting House, Seyegan, Sleman attended by 30 representatives of Muhammadiyah elementary school teachers throughout the district of Sleman.

The methods used in this training include: 1) Lecture and dialogue; 2) Discussion Group; 3) Singing; 4) Game; 5) Mentoring. Evaluation activities include evaluation of cognitive, affective and performance. Evaluation instrument consists of tests / quizzes, questionnaires, portfolio.

The results of the implementation of the training showed PPM has been able to solve most of the problems faced by SD Muhammadiyah teachers in Sleman in character education based on local wisdom in the form of: 1) increasing the cognitive aspects of the concept of character education teachers, local wisdom, and its integration into subjects; 2) increasing the skills aspect of teachers' skills in the form of write lesson plans integrated character education and evaluation; 3) increasing the affective aspects such as feeling happy and positive attitude towards training. Only time training which is considered very short lead participants felt yet fully mastered the training materials.

Kata Kunci: *character education, local wisdom, teacher, Muhammadiyah elementary school.*
