

MATERIAL DEVELOPMENT AND LEARNING EVALUATION WORKSHOP FOR FRENCH LANGUAGE TEACHERS OF VOCATIONAL HIGH SCHOOLS IN YOGYAKARTA, CENTRAL JAVA, AND EAST JAVA

by Tri Kusnawati, Dwiyanto Djoko Pranowo, Alice Armini, Norberta Nastiti Utami, Herman

ABSTRACT

The objectives of this community service activity are: (1) to improve the ability to develop teaching materials and learning evaluation in accordance with the 2013 Curriculum for French language teachers at vocational school and (2) to improve the quality of French language learning in vocational school.

The target audience for this activity are French Vocational High School teachers. The total number of participants is 20 teachers. This activity took place from 5 to 12 July 2021. This service activity is carried out in two stages, namely (1) the training stage and (2) the implementation stage of developing teaching materials and learning evaluation in accordance with the 2013 Curriculum. The steps of the service activities carried out are (1) providing an explanation of various methods of developing French Vocational teaching materials in accordance with the 2013 Curriculum, (2) providing an explanation of the evaluation of Vocational French learning in accordance with the 2013 Curriculum, and (3) workshop activities, namely the development of teaching materials and learning evaluation in accordance with the 2013 Curriculum. The final result of this workshop activity is the compilation of 7 learning materials and their evaluations.
