

RESEARCH PROPOSAL WRITING FOR MEMBERS OF YOUTH RESEARCH CLUB (KIR) SMA IN YOGYAKARTA

by Ratnawati, Budiwati, Sukiya

ABSTRACT

This program aims to 1. improve students' experience in recognizing biology objects and phenomena, 2. train students in writing research proposal in biology. The target participants are 30 students of SMA, SMAN 6 Yk, SMA Kolombo Yk, and MAN I Yk, 10 students represented each. The training was conducted on Friday 26 August 2016, from 9 am to 4 pm. The activities conducted were tutorial and workshop held in the Biology Education Department Laboratory and its surroundings, and the assignment given, writing research proposals, should be submitted in 2 weeks. The proposals submitted shows that most of the students have difficulties in formulating the research problems. The proposal from the club which is active and well guided (KIR of MAN I Yk) shows better quality.
