

Pendidikan Keyogyakartaan bagi SMP Negeri 1 Sleman

by Suwardi, Sukisno, Erna Istikomah

ABSTRACT

Keyogyakarta Education is one of the programs initiated by the Yogyakarta Culture Service, and is fully supported by Yogyakarta State University in general and the Faculty of Language, Arts and Culture in particular. It is hoped that this workshop will become an activity that further strengthens Yogyakarta Education at SMP Negeri 1 Sleman. Both employees, teachers and students. Considering that this school is one of the schools that has the potential to become a pilot for other junior high schools. Through this workshop, residents of SMP Negeri 1 Sleman Yogyakarta will understand aspects of 'speaking', 'attitudes and behavior' and 'proverbs' typical of Yogyakarta. The target outputs of this activity are: 1) scientific articles published in journals or presented at international seminars, and 2) posters resulting from the activity.
