

THE PARTNERSHIP STRENGTHENING OF SPECIAL SCHOOL, COMMUNITY, AND REGULAR SCHOOLS IN EDUCATIONAL SERVICES FOR CHILDREN WITH SPECIAL NEED AT VILLAGE SENDANGREJO MINGGIR SLEMAN

by Hermanto,et,al

ABSTRACT

The community service on strengthening partnership of special schools, communities and regular schools in special needs children education services in Sendangrejo Village Minggir Sleman aims to: 1) To increase the role of SLB PGRI Minggir as a service center for children with special needs in Sendangrejo Village, Minggir Sleman Sub-District; 2) To increase the role of regular schools in providing educational services for children with special needs in inclusion schools in Sendangrejo Village; 3) To improve the role of the community in educational services of children with special needs in Sendangrejo Village, Minggir Sub-district, Sleman Regency; and 4) To enhance extraordinary school partnerships, community and regular schools in children with special needs education services in Sendangrejo Village, Minggir Subdistrict, Sleman District. The devotion was held in October 2017 and was attended by 60 people consisting of community leaders, village apparatuses, supervisors from Dikpora DIY, the Board of Trustees of the PGRI Foundation, entrepreneurs, principals and regular school teachers, and principals and teachers of SLB obtained the results: 1) The need for a correct understanding of children with special needs and their potential; 2) The need for each party's awareness to optimize the service and potential of the crew; 3) The importance of a joint communication forum for ABK services in Minggir sub-district. 4) The need to strengthen cooperation between institutions and various parties to strengthen services to ABK in Minggir sub-district; 5) A more concrete partnership model should be developed in both educational and entrepreneurial services to lift and eradicate the crew.
