

Pelatihan Pengembangan Konten Website Untuk Meningkatkan Akuntabilitas Tata Kelola Kalurahan Argosari, Kapanewon Sedayu, Kabupaten Bantul

by Dwi Harsono, Francisca Winarni, Kurnia Nur Fitriana, Hardian Wahyu Widiyanto

ABSTRACT

Kalurahan Argosari has human resources in quantity has met the analysis of employee needs. Nevertheless, the distribution of quality mastery of information technology skills and expertise that supports the main tasks of function is still low. This makes the Kalurahan Argosari *Website* can be said to still not develop when compared to other villages in the Special Region of Yogyakarta. In this case, the role of the Department of Public Administration to contribute to providing community service through integrated training and mentoring activities to Kalurahan Argosari. Therefore, ppm activities are important to be carried out in order to increase the capacity of village device expertise in the management of website content to realize kalurahan Argosari governance accountability. The external results of this PPM activity include: (1) publication articles in community service journals, (2) training materials, (3) PPM reports, (4) Kalurahan Argosari website development content; (5) Cooperation agreement between FIS UNY Public Administration Program and Kalurahan Argosari. The implementation of community service activities has been able to strengthen the understanding and operational ability of participants in developing kalurahan argosari website content. The achievement of this goal can be seen by competency standards: (a) Commitment to attendance and participation level of trainees, (b) Increased motivation and understanding related to the importance of carrying out website content to improve accountability of Kalurahan Argosari governance as seen from improving the quality of pretest answers to posttest and quality of external action plan participants, (c) Improving participants' operational ability in managing and developing Kalurahan Argosari website content. In addition, the training in PPM has also resulted in a needs analysis and sustainability plan in the development of Kalurahan Argosari *website* content in improving accountability of village governance..
