ABSTRACT

WORKSHOP ON THE CREATION OF ART FOR VILLAGE TOURISM MANAGEMENT DISTRICT SE SLEMAN

By Sutiyono, Trie Hartiti R., Kuswarsantyo, I Ketut Sunarya

SUMMARY

The purpose of community service through "Workshop on Art Creation for the business Sleman Village Tourism se" is to foster and develop the traditional artistic creativity to the managers of tourism village in Sleman district. This is important considering the many artistic traditions around tourism village that has become extinct, but in fact can be tilled again to be used as packaging art in welcoming the tourists, both domestic and foreign tourists who visit the Tourism Village.

Procedures community service by providing coaching and developing the tradition of artistic creativity. Target coaching and development is the manager of the Tourism Village dance groups and the development of batik art. Implementation of community service was held in the Hall Agro, Gadung village, Village Bangunkerto Turi district, Sleman, 10 and 11 Aug 2015. The methods used in the Workshop on Art Creation for the business tourism village are lectures, discussion, demonstration and immediate evaluation.

Results dedication to the community through workshops on Art Creation for the business Sleman Regency Village Tourism se states: (1) Development and art for the community development manager kreativitas Tourism Village takes place in the Hall Agro Sleman. Promotion and development of artistic creativity that was expected, because the area is going to develop the packaging art in every tourist village. (2) In this PPM visible participants consisting of community tourism village manager very enthusiastic workshop artistic creation. Evidently the workshop participants, either on the first day and the second day is always 25 people (present 100%) as an invitation, not a single person who was unable to attend. This indicates that the society enthusiastically participated in workshops artistic creation.
