

# **DEVELOPING the LEARNING QUALITY AND STRENGTHENING TEACHER COLLABORATION JOINED IN MGMP IPS MTS BANTUL through LESSON STUDY WORKSHOP**

**by Tejo Nurseto, Daru Wahyuni, Bambang Suprayitno**

## **ABSTRACT**

The social work is aimed to increase teacher's interest in collaborating in teaching and learning, teachers' ability to make learning process better with the help of instructional media, and the quality of learning done by teachers by creating more active and innovative learning strategies. Activities undertaken are lesson study training. The target in this activity is all teachers from MGMP MTs Bantul as much as 42 teachers from IPS subjects. The methods used in this activity are lectures, presentations and discussions, and mentoring. The activity of PPM LS in MGMP MTs Bantul was held on September 6, 2017. The implementation of LS was attended by 30 participants of the father and mother of MGMP MTs teacher in Bantul. Devotion carried out in three sessions by Bambang Suprayitno, M.Sc. with "Lesson Study" material, Daru Wahyuni, M.Si. which was replaced by Ahmad Chafid A., M.Pd. with material "Various Methods of Learning", and Tejo Nurseto, M.Pd. with "Learning Media" material. In general PPM implementation has been going well by seeing the participants who come and indications of the satisfaction given in the response in the form of filling questionnaire satisfaction of PPM implementation.
