

SILABUS DEVELOPMENT BASED ON CHARACTER FOR PRIMARY SCHOOL 3 PRIMARY SCHOOL CITY YOGYAKARTA

by Farida Agus Setiawati, Yulia Ayriza, Rita Eka Izzaty

ABSTRACT

Education is one of the nation's character building racers in Indonesia needs to be developed in its curriculum. This training aims to provide insight and develop learning programs for educators in Growth Primary School to increase the preparation of syllabus character in accordance with Kemendikbud, CIPP, and IPC in Growth Primary School Yogyakarta. The activities were conducted for 2 days in the form of giving materials, discussion, kelompok assignment and discussion again discussing the task of the group. The results of community service activities indicate that developing syllabus character in accordance with the national curriculum, CCIP, ICP in schools, especially in Primary School Primary School, can be done well and smoothly. In these activities created several syllabus or learning programs made by educators to be able to instill and improve the value and morale of the next generation of the nation in accordance with Indonesian culture, especially in Primary School Primary School.
