

FROM ACADEMIC DEPENDENCY TO ACADEMIC LIBERATION: SYED FARID ALATAS'S IDEAS ON INDIGENIZATION OF SOCIAL SCIENCE

Oleh: Sunarso, Sugi Rahayu, Adi Cilik Pierawan

ABSTRAK

A strategy of indigenization is by establishing identity construction. It is that of revisiting or reinterpreting South East Asian tradition and culture. Proponents of this strategy try to pinpoint useful traits and attributes in traditional Asian concepts and ideas and to reinterpret them

Kata Kunci: *indigenous, social science*
