

TRAINING OF COMPILATION OF INCOME STATEMENT FOR GOVERNMENT OFFICERS IN DESA BANARAN DEMANGREJO WATES KABUPATEN KULONPROGO

by Ngadirin Setiawan, Indarto Waluyo, Dhyah Setyorini, & Ahmad Samlawi, M.Si.

ABSTRACT

Activity Community Service aims to train the government officer in preparing income statement in Desa Banaran Demangrejo Wates KabupatenKulon Progo. Reason convening these activities because of the ability and knowledge of village government officials were not available. They have not understood the forms of government financial accountability report. This major obstacle led to the preparation of the LRA does not run smoothly, on time, and could be valid. Community Service Event was held on Thursday, October 13, 2016 in Balai Desa Banaran Demangrejo Wates Kulon Progo Regency. This training was attended by 24 people of the village of 30 invitees. The method of implementation of Community Services was conducted using the method of lecture, discussion, and practice, and mentoring / monitoring. Community Service activities run as intended. The Government officer got knowledge of financial management. They could create or prepare the budget realization report (LRA). The number of village government attended the activity as many as 25 people. The participants felt that the material submitted by Tim PPM FE UNY is very helpful and wished no further action related to this activity so that the performance of government officers will be better.
