

TPACK IMPLEMENTATION TRAINING IN PJOK LEARNING FOR PJOK TEACHERS IN SLEMAN DISTRICT

by Hedi Ardiyanto Hermawan, Yudanto, Nurhadi Santoso, Tri Ani Hastuti, Heri Yogo Prayadi

ABSTRACT

This service activity aims to provide knowledge and experience regarding the implementation of TPACK in PJOK learning in Junior High Schools (SMP) throughout Sleman Regency. The target of this program is PJOK teachers in Sleman Regency, totaling 22 people. The service is carried out using the theoretical method and continued with the practice of implementing TPACK in PJOK learning. This training is based on the competencies needed in teaching PJOK for junior high school students. The target audience of this PPM activity is all teachers of Physical Education, Sports and Health (PJOK) for Junior High Schools (SMP) in the Sleman Regency area.

The PPM activity with the title "Training on TPACK Implementation in PJOK Learning for PJOK Teachers in Sleman Regency" was able to run well. PPM activities are carried out for 4 days, namely Friday 1 October 2021 to Tuesday 5 October 2021 which are carried out online through the Zoom Meeting application. The PPM was attended by 22 teachers of Physical Education, Sports and Health in Junior High Schools in Sleman Regency.
