

# ENHANCEMENT OF BIG BALL GAME MATERIALS FOR TEACHERS PJOK SMA SE BANTUL DISTRICT

by **Suhadi, Sri Mawarti, Nurhadi Santoso, Riky Dwihandaka**

## ABSTRACT

The purpose of this PPM activity is to provide knowledge to the teachers of the PJOK of the State High School in Bantul Regency about the importance of physical education learning related to the material of big ball games as one of the means to realize the objectives of physical education learning in High School.

The target audience of this PPM activity is all Physical and Health Education (PJOK) teachers of State High Schools in the Bantul Regency area.

The PPM Activity with the title "Enrichment of Big Ball Game Materials for Teachers of PJOK in Bantul District High Schools" can work well. PPM activities are held for two days, namely on Tuesday and Wednesday 11-12 June 2018, at 08.00-15.00 at SMA 1 Sewon Bantul Yogyakarta, attended by 32 Penjas teachers. The training which was planned to be attended by 40 high school physical education teachers in Bantul Regency turned out to be attended by 32 physical education teachers.

Kata Kunci: *Enrichment, Material, Big Ball Game*
