

# DEVELOPMENT OF INNOVATIVE LEARNING METHOD FOR AUTHORITY TUTOR IN WONOGIRI DISTRICT

by RB Suharta, Sujarwo, Trisanti

## ABSTRACT

### Abstract

Innovative learning training activities for literacy tutor is an activity to cultivate tutor awareness in pengajabnagan learning method. This activity aims to 1) provide tutor literacy understanding of the importance of innovative learning, 2) provide knowledge and skills to the tutor of the counselor in applying innovative learning methods. Implementation of empowerment activities begins with needs analysis, determination of materials, implementation, and evaluation of 25 literacy youth. Methods of activities include lectures, interviews and discussions The results of the activities show that 1) literacy tutors have knowledge in innovative learning that is PAKEM method and learning centered on studying citizens, 2) literacy tutors are able to practice innovative learning methods in learning in the community.
