ABSTRACT

The purpose of this Community Service (PPM) through Campus Tourism (Wiskam) is to socialize the German Language Education Department of FBS UNY to high school and MA students in DIY and Central Java through a live acoustic performance and Nachrichten vorlesen competition. The two competitions are expected to increase the motivation of students to learn German and they can get to know the German Language Education Department, FBS UNY.

The activities carried out in PPM Wiskam consisted of the implementation of competitions in German (live acoustic performance and Nachrichten vorlesen) and the introduction of the German Language Education Department FBS UNY.

The results obtained through PPM Wiskam's activities are (1) PPM Wiskam participants can get to know the FBS UNY German Language Education Department up close, and (2) the competitions can increase the motivation of PPM Wiskam participants to learn German.
