

STRENGTHENING NATIONAL INSIGHTS OF STUDENTS IN SMA NEGERI 1 BUMIAYU

by Sunarso, Suharno, Cholisin, Annisa Istiqomah, Anis Samchati , Arya Pangestu Ramadani

ABSTRACT

The Urgency of Community Service by providing training to strengthen national insight, namely to unite the nation's children in the National Insight Education forum is very useful for the realization of togetherness and unity. The purpose of community service is to increase knowledge of students 'national insight and strengthen students' commitment, patriotism, and nationalism. The implementation of community service activities is carried out with a series of activities as follows: 1) Self-evaluation (self-assessment) of students' national insight knowledge; 2) Training on the substance of national insight that is carried out online; 3) Internalization of national insight; and 4) Habituation of national insight.

This community service is expected to increase knowledge about national insight which is reflected in the behavior of commitment, patriotism, and nationalism of students at SMA Negeri 1 Bumiayu. Outcomes of community service, namely scientific article manuscripts based on dedication that are in accordance with the writing provisions for publication in scientific journals to related journals.
