

Islam Rahmatan lil Alamin at Majalah Adil

by Benni Setiawan

ABSTRACT

Islam rahmatan lil alamin is a mantra in realizing a civilized nation. Rahma Islam is a form of Islam that is friendly, not angry. Islam is friendly, not heartless the process of educating the nation's citizens. Rahma Islam also means being a driving force for its realization freedom and social justice. This is the context of independence and social justice seen in an edition of Adil Magazine before independence. To be precise, the 1940-1942 edition. Some of these editions are a guide to the Islamic discourse of rahmatan lil alamin being discussed and discussed pendulum of independence. This Islamic discourse was also processed by the editorial staff of Adil Magazine in the room freedom struggle. The aim of this research is to look at the Islamic discourse of rahmatan lil alamin that appeared in the news and discourse of Adil Magazine in 1940-1942. this discourse it becomes important to see how a magazine becomes an important part of pushing for the independence of the Republic of Indonesia. Apart from that, this research is expected to find Islamic discourse as part of the struggle against colonialism and realizing independence of the Republic of Indonesia. This research method is historical tracing. With Using historical research methods, this study examines primary sources, namely magazines Adil weekly published by the Surakarta branch of Muhammadiyah, in annual editions 1940-1942. This search for historical data looks at it in the context of reporting and viewing Islamic narrative rahmatan lil alamin in the context of the struggle to achieve independence. Data collection was carried out by examining each published edition by looking at the narrative Islam rahmatan lil alamin which appears in each edition is then collected and analyzed in accordance with the context of the times and the interpretation of life today. The expected output of This research is a scientific article published in a Scopus indexed journal and the Sinta 2 journal.
