## **ABSTRACT**

The purpose of organizing the PPM of the French Language Education Department of FBS, UNY is to promote the French Language Education Department of FBS, YSU to high school students in DIY and its surroundings through the Cover French Song competition and increase the appreciation of French language and culture to high school students go through this competition at the Yogyakarta region level. In the implementation, this cover competition activity turned into a French song competition. This is because of the Covid 19 situation which does not allow offline meetings of students. The implementation of this PPM is in the context of the Language Olympiad, which is a routine activity of the French Language Education Department every 2 years. The Community Service Program activity in the form of a French Song Competition for SMA / SMK / MA students at the DIY level was attended by 46 students from 14 schools. In this activity, the French Language Education Department collaborated with IFI and DIY French MGMP. Each group of students sent a video recording of a song to the committee. Then the committee makes a selection through the jury appointed by the committee and sends the results of the assessment to the committee based on the predetermined rules of assessment. Based on the assessment given by each jury, the winners in the French song competition in campus tourism activities carried out by the French Language Education Department, FBS UNY are: First place won by students of SMA N 6 Yogyakarta. Second place winner was students of SMK N 6 Yogyakarta. The third winner was students from MAN I Yogyakarta. The first runner up was won by students of SMK N 4 Yogyakarta. Second runner up was won by students of SMA N 9 Yogyakarta. The 3rd runner up was won by students of SMA N 1 Kalasan
