ABSTRACT

Community Service Program on campus tourism scheme aims to introduce the Department of Music Education FBS UNY by the wider community through the UNY Chamber Music Festival program, establishing better relationships between the Department of Music Education at the State University of Yogyakarta with music lovers in general, with the progress of development playing music, experience, and mental performance outside his alma mater, and knowing the potential / barometer map of talented young musicians, especially in playing chamber music in DIY.

The method used is the demonstration method. UCMF # 3 was held on Saturday, August 3, 2019, preceded by passing GR on Friday, August 2, 2019. Participants came from elementary, middle, high school students from DIY and outside DIY. At UCMF # 3 2019 there were 2 participants who came from the city of Kediri. Each participant brought 2 pieces of children's songs with a duration of 8-10 minutes.

The results of the implementation of UCMF # 3 activity were the Music Department of FBS UNY increasingly known among students from within and outside the city of DIY, starting from elementary, junior high, high school and even university level. Relationship collaboration of the Department of Music FBS UNY with the wider community and bind up with good. UCMF # 3 as a space for musical expression, testing your skills and mentality and increasing your playing experience music while studying with various chamber music groups in and the outside.
