WORKSHOP ABOUT ART CREATION
FOR ART OF ARTS SMPN KULONPROGO

By: Endang Sutiyati, Sutiyono, Kuswarsantyo,, Bambang Suharjana

SUMMARY

The purpose of dedication to the community through "Workshop on Art Creation for Dance Teachers in Yogyakarta is to develop and develop the creativity of traditional art to the dance art teachers in Yogyakarta. This is important given the considerable number of traditional art in Yogyakarta that has become extinct, but actually can be worked on again to be a learning material in school.

Procedures of community service by providing guidance and develop the creativity of traditional arts. The target of development and development is the dance art teacher in Yogyakarta. The implementation of community service is held in Building GK I 2nd floor of FBS UNY, August 10, 2016. The methods used in Workshop on Art Creation for Dance Teachers in Yogyakarta are lecture, question and answer, demonstration, and direct evaluation.

The result of dedication to the community through Workshop on Art Creation for Dance Teachers in Yogyakarta mentions: (1) Development and development of artistic crativity for Dance teachers in Yogyakarta to create dance art took place in Building GK I 2nd floor of FBS UNY. (2) In this PPM it is seen that the participants consisting of Dance Teachers are very enthusiastic to follow the workshop of art creation dance. Evidently the participants of the workshop on the day of the PPM day 25 people (present 100%) according to the invitation, no one is unable to attend. This indicates that the Dance teachers are enthusiastic to follow the workshop of art creation.
