ABSTRACT

This community service aims to strengthen nationalism in the Darul Ulum Jombang Islamic Boarding School environment. The approach used in this dedication is to hold a series of activities, such as seminars, discussions, and training aimed at increasing awareness and understanding of the importance of national values and the role of society in maintaining the integrity of the country. The proposed activities include strengthening national education at the Darul Ulum Islamic Boarding School, training in developing leadership skills for students, developing communication media that support the dissemination of information about national values, and empowering the surrounding community through social activities. In order to achieve this community service goal, the community service team will involve all elements of society, starting from the boarding school administrators, teachers, students, and the surrounding community. It is hoped that through the activities carried out, the community around the Islamic boarding school can understand the importance of national values and strengthen a sense of nationalism which is upheld.
