

IMPLEMENTATION OF LEARNING PHYSICAL EDUCATION SPORTS AND HEALTH BASED ON LOCAL WISDOM IN INDONESIA BANGKOK SCHOOL

by Erwin Setyo Kriswanto

ABSTRACT

The purpose of this PkM activity is to provide an overview related to the knowledge and ability of teachers in implementing local culture towards learning at Sekolah Indonesia Bangkok (SIB) Thailand.

The target audience of this PkM activity is all teachers at the Indonesian School Bangkok (SIB) Thailand. The place of implementation of this PkM activity is at the Indonesian School Bangkok (SIB) precisely in the Complex of the Embassy of the Republic of Indonesia to Bangkok Thailand.

The PkM activity entitled "Implementation of Learning Physical Education Sports and Health Based on Local Wisdom at the Indonesian School Bangkok" in its implementation went well and smoothly. This PkM activity was carried out on Thursday and Friday, precisely on June 8-9, 2023 offline which was attended by 22 teachers at the Indonesian School Bangkok (SIB) Thailand.
