

# THE DEVELOPMENT OF YOUTH CHARACTER THROUGH THE IMPLEMENTATION OF PANCASILA VALUES IN PANCASILA VILLAGE OF MANJUNG, NGAWEN, KLATEN

by Taat Wulandari, Nasiwan, Agustina Tri Wijayanti

## ABSTRACT

### **ABSTRACT**

This research aims at investigating what Pancasila values are developed in building the nation's youth character in Manjung Village and finding out the process of implementing Pancasila values in everyday life in Manjung Village, Klaten. The results of this research are expected to contribute to the development of the nation's youth character, especially in Manjung Village. The research utilizes a qualitative method. Data collection techniques include participatory observations, interviews and documentations, while data analysis techniques employ the Miles & Huberman model. The results of the study show that: 1) The values of Pancasila implemented for building the character of the nation's youth in Manjung Village include religious, tolerant, creative, democratic, nationalism, patriotism, peace, social care, and responsibility. 2) The process of implementing Pancasila values in daily life can be demonstrated through several activities including 1) *Susur Desa*, which is an activity of exploring Manjung Village to find the potential of the village. 2) *Tenong* (Hangout Spot) for *Patriot Desa*, which is a public café designed with the theme of Pancasila. In the hangout spot, the computer and library will be provided so that it can be used as a place of learning. Moreover, the price of food and drinks is suited to the teenager affordability. Through *Tenong*, it is expected that the educational process of Pancasila values can be achieved. 3) *Ketoprak* (*Wayang Orang*) is performed under the theme of Pancasila. This show is played by several young people who jointly work with local community members. *Patriot Desa* of the Pancasila Village is considered as figures that put the foundation for implementing Pancasila values practically when they formulate development plans of the village, so that the ongoing process will bring benefits and manifest in the form of social justice and equitable development.

Kata Kunci: *youth character, Pancasila values, Pancasila Village*
