

# LEARNING ASSESSMENT INSTRUMENT PREPARATION TRAINING TEACHERS SMA N 1 STRAIN KULON PROGO

by M. Nur Rokhman, M.Pd.

## ABSTRACT

The results of an independent study in 2012 of the Study of Learning Assessment System Development at SMA Islam I Gamping Sleman be more beneficial if followed by community service activities as an alternative solution the development of quality evaluation system. Community service activities aims to provide knowledge and improve the skills of teachers in preparing and developing learning evaluation instrument. As for specifically this activity aims to increase knowledge and the concept of learning evaluation, and training teachers to understand the importance of learning and evaluation of the effectiveness and efficiency of an evaluation instrument.

The method used in community service activities include lectures or training activities that contain information delivery for the material is general and theoretical, in this case is that of the evaluation, the concept of assessment, measurement, objectives and evaluation function, the principles of learning evaluation, model- evaluation model, forms of evaluation instruments, and the effectiveness and efficiency evaluation. With briefing materials about the latest evaluation of learning are expected to increase teachers' understanding of evaluation, ways of developing the instrument, and ultimately contribute to improving the quality of learning in schools.
