

# EMPOWERING YOUTH THROUGH OUTBOUND TRAINING AS A NATURAL-BASED EMBRIO TOURISM VISIT

by Lutfi Wibawa, Suharta, Trisanti

## ABSTRACT

### Abstract

Activity of youth empowerment through outbound is activity to grow awareness of youth about natural potency. This activity aims to 1) motivate youth to participate in village tourism pilots, 2) provide knowledge and skills to the youth about the management of the village tour especially outbound skills. Implementation of empowerment activities begins with needs analysis, determination of materials, implementation, and evaluation of 25 youth. Activity methods include lectures, frequently asked questions and practice. The result of the activity shows that 1) the youth have motivation in the development of nature-based tourism village, 2) the youth have knowledge and skills in outbound activities in the tourist village.

Kata Kunci: *empowerment, youth, outbound*
