

# **TRAINING MAPPING OF CHARACTER VALUES AND PRIORITY OF CHARACTER VALUES IN HISTORY LEARNING IN MGMP HISTORY OF KULON PROGO**

**by Dr Dyah Kumalasari, M.Pd ; dkk**

## **ABSTRACT**

The 2013 curriculum is the latest curriculum and is currently used in schools, both primary and secondary. In the curriculum, embedded values of character that became one of the goals to change and shape the character of the nation. Lecturer as the implementer of tri dharma college, has three obligations that is as educator, researcher, and servant. One of the activities of dedication is done by PPM activity based on character education with target of MGMP teachers in Yogyakarta and its surroundings. In 2017 PPM activities are focused on MGMP History in Kulon Progo Regency.

In the implementation of this PPM activity, the PPM team uses several methods, such as lectures and questions, lectures and demonstrations, training and tutorials, practices and assignments, evaluation and presentation of results. This PPM activity was held in October and held at SMA N 1 Galur Kulon Progo Hall with about 30 participants attended.

The result of this activity is the implementation of character education PPM activity in Kulon Progo Regency. Through these PPM activities the resource persons conduct guidance and training to teachers. This activity needs to get follow up. This is because the need for teachers to always update information related to academic development. By following the PPM Pendidikan Karakter, the teachers become more understanding and get new information about how to deal with the students at this time as well as directing the students to always be polite.
