ABSTRACT

Wedding souvenir making Training conducted in the community, especially dharmawanita mothers in Ringin Ardi And Cekelan Kapenawon Village, Kulon Progo aims to: 1) increase knowledge about crafts such as accessories, 2) provide views / images to find business opportunities from the skills of making accessories for wedding souvenirs, 3) provide skills to make craft accessories from czech crystal. With the training of Making Wedding Souvenirs, dharmawanita mothers are expected to be motivated to make accessories from other materials based on skills that have been obtained more creatively and innovatively.
