## **ABSTRACT**

*Activities PPM training Storytelling and Creative Writing Javanese Tales For Java Teachers SMP Se-Kulon Progo aims to (1) provide training to Javanese Junior High School teachers as Kulon Progo is able to write creative fairy tales, (2) provide training to Javanese language teacher of SMP as Kulon Progo able to storytelling interestingly. This activity is carried out by lecture method and practice which is arranged in a workshop activity with predetermined output. After the workshop process is completed, the team will conduct monitoring and assistance to the workshop participants related to the plan and the predetermined output. Participants of this PPM activity are 39 participants of Javanese Junior High School teachers who are active in MGMP Javanese Lessons in Kulon Progo, and speakers from FBS UNY. In the training process, participants were very enthusiastic in listening to the material delivered by the speakers. Participants are also very creative in writing Javanese folklore which then practice it very interestingly.*

*Kata Kunci: storytelling, creative writing Javanese tales*
